115hp Yamaha  
4-stroke  
Tandem trailer  
Safety gear  
Rego

**2050 SUPER CAB** **\$63,431**

## WHY BUY A STABICRAFT?

*Because it is virtually unsinkable by design.*

Continuous tubes of individually sealed floatation chambers provide a life-ring on the upper-outer extremities of every Stabicraft Marine boat. It's these floatation chambers which provide our famous **Positive Buoyancy**.

With the addition of an air-tight chamber between the floor and hull these iconic Kiwi boats become virtually unsinkable.

150hp Yamaha  
4-stroke  
Tandem trailer  
Safety gear  
Rego

**2150 SUPER CAB** **\$91,435**

200hp Yamaha
